

Play Station Preschool

Registration Information:

Pleasant Dale Park District's Play Station Program provides early childhood learning programs for children 2½ through 5 years old. Our philosophy is to learn through play while developing social, emotional, and creative skills. The basics such as letters, numbers, shapes and colors are also introduced in a relaxed and stress-free manner. Daily activities include playtime, story and circle time, art projects, singing, snack time, and gym games.

Monthly newsletters keep parents and significant others informed of weekly themes and classroom curriculum. Our staff maintains membership in the National Association of Young Children and has first aid and CPR training. **Our Play Station school year follows Pleasantdale School District 107 for holidays off of school.**

Nathalie Youssef is the Preschool Director. For more information about our program please contact Nathalie at 630-662-6220 or nyoussef@pleasantdaleparks.org

Children must be required age for programs.

A 10% discount will be given to a second child in the program.

Please note: Children in Wee 3's or Explorer 4's must be completely toilet-trained and ready to stay in the classroom without becoming disruptive.

First Steps To Preschool

Do you have an energetic 2 1/2 - 3 year old? This is a great first step that introduces school away from the parent. Emphasis is placed on socialization skills while learning in a classroom environment. We will provide a qualified instructor per every 5 children. Pull-ups are allowed in this class, and in case of accidents, parents will be required to come and change the Pull-up.

Ages:	2-1/2 +		
Days:	Monday and Wednesday		
Time:	12:30 PM - 2:30 PM
